25X1A9a SUBJECT : Replacement for [REDACTED]

25X1A9a 1. In response to your original request for replacements for [REDACTED], a memorandum was written to Military Personnel Division on 26 October 1959 which resulted in a request to the Air Force #A9-4-59.

25X1A9a 2. A follow-up on this request was sent on 20 November 1959-- no result.

25X1A9a 3. On 22 December 1959, a telephone call was made to [REDACTED] requesting assistance in filling this requirement. [REDACTED] informed the undersigned that he had received three nominations and was waiting for MPD to pick them up. On 23 December 1959 Captain [REDACTED] MPD/Manning Branch, called to say that two of the nominations were rejected as being unacceptable. The third nomination is, on paper, an excellent candidate. However, he has a medical problem (arthritis). [REDACTED] is now trying to obtain an Agency medical waiver on the arthritic condition.
